

Hello. This is the program until March 20:
We will focus on grammar (past simple and past continuous) and writing.
Please do this gradually, not all at once!
You will get a grade for your activity.
Please contact me via my school email or Bakaláři if you need anything.

1) Read about the past simple (minulost prostá)

and the past continuous tense (minulost průběhová)

or if you prefer to listen: <https://www.youtube.com/watch?v=XP4le29BAM>

and do the exercise here to check if you understand:

extra: this rap song might help with irregular verbs:

2) Textbook 37/7a, b, c

Write a few sentences about each of the persons in the story (Cindy, Marcel, Antonio and Louise) on the computer (in Word or something) and send it to my school email.

You can scan your plan of the house, too, but it's ok if you don't.

Do 7b as your final paragraph (write who did it, why and how).

3) Workbook 27/4, 5; 28/1, 2

After you finish, use a dictionary to check if you're right.
