

## 7th graders

My dear students! I thought we would do a little bit of grammar, but I admit it's really tough (the articles), so for now we will move a bit and I will see. This week's task will be reading and vocabulary, because I'm sure it's something you can do at home ;)

**If you need my help, don't hesitate to ask ;)**

Careful, I will give you a mark for each homework and I won't accept any HW after deadline.

*I recommend doing the tasks in three "lessons" - you won't feel that it is too much, we would definitely be able to do it at school like this and what's most important, I truly believe that dividing this in three lessons will help you remember it better...and you will actually learn something.*

### 1<sup>st</sup> lesson

---

1. before you start, try to write down at least 7 places we talked about in London in your exercise book
2. reading about London -> read the text in WB 38 and do exercises 1,2 and 3
3. quiz -> try a quiz [here](#) -> when you're done with the quiz, re-write the sentences with correct answers in your exercise book

*HW-> send me an email with both tasks, the deadline is Tuesday 8pm*

*- on your computer, write your own quiz question with 3 answers (only one answer should be correct) about London*

*- take a photo of your WB and exercises, I want to see the reading exercise and the sentences*

### 2<sup>nd</sup> lesson

---

1. reading
  - 1.1. look at the pictures in TXTB 48-49 -> write down what do you think the story will be about in 1-3 sentences (in your exercise book)
  - 1.2. read the story about Tailor of Swaffham
  - 1.3. answer questions TXTB 49/2 in your exercise book
2. vocabulary
  - 2.1. copy the chart TXTB 49/3a and add Czech translation
  - 2.2. write sentences in exercise TXTB 49/3b in your exercise book
  - 2.3. try to add more columns to the chart -one, -where and add your translation

*HW: send me a photo of your notes and answers in your exercise book, deadline Wednesday 8pm*

### 3<sup>rd</sup> lesson

---

1. look at the chart you created last lesson, say the words out loud
2. try exercises WB 41/4 and 43/4
3. do the handout you downloaded, either on computer or print it
4. check Bakaláři, I will send you a link with a new quiz about London (from your questions)

*HW: send me a photo of your handout, I will choose only one or two exercises to mark, deadline Friday 2pm*

Thank you, take care! Your English teacher.
